Look at its'
unique shape.

No house is complete
without one.

I'm giving first offer to you,
as you're a special friend,
but I know of many
people who want it.

Chances like this come
once in a lifetime.

There aren't many
of them available.

Take advantage
of this chance.

Your friends will turn
green when they see
that you have
one of these.

Think how people will
react when they come
into your house and
see this!

It is hand-made.

This unique item has
several purposes.

Mae o wedi ei wneud gan grefftwyr sydd wedi eu hyfforddi ers bod yn ifanc iawn.	Dim ond mewn un pentref yn Tibet maen nhw'n gwneud y rhain.
Ydi o'n ddiogel efo plant?	Oes posib cael gostyngiad?
Oes posib cael gostyngiad os bydda i'n prynu dau?	Oes posib gwneud taliadau misol?
Oes gwarant arno?	Pam mae o mor rhad?
I beth mae o?	I ba bwrpas mae'r darn hwn?

They only make these in one village in Tibet.

It is hand-made by crafters who have been trained from a young age.
